

Cafeteria Service – Taste Nutrition Services

Taste Nutrition Services offers the Saint Simon community an excellent cafeteria service that features chef crafted meals and a healthy 'grab and go' selection. Meals are "prepared using the freshest, local, natural and organic ingredients available.

All students have a lunch account that is linked to an internet based point of sale system. **We ask that you activate the account and deposit funds if you intend to use the service.**

- **To activate an account or add funds to an existing account:**

Please go to:

www.mySchoolBucks.com

Each student will have their own debit account to use at the cafeteria. If you have more than one child at Saint Simon, they will all be part of the same family account.
